3. **ACADEMICS**

All must be prepared to face the challenges in school programmes posed by Covid-19 interruption. Shortened school terms has led to academic year being shorter than calendar year. Students must be ready/prepare accordingly otherwise to be caught unaware. Recall time and tide wait for no man. Students to work for attainment of set individual targets. Every minute count toward improved academic attainment. Success is deliberate and personal. You reap what you sow.

4. **DISCIPLINE**

Poor discipline usually lead to poor performance. Parents to continue guiding their sons to face life challenges without taking shortcuts. Parents to help their sons on issues of Respect, Unity, Punctuality, Humility, Integrity and Discipline (RUPHID). Let the learner note that consequences for indiscipline are very expensive. Assist the learner to overcome adolescence challenges.
